Professional Experience

Private Contractor (Upwork/Fiverr)

Freelance Digital Marketing & Web Development Consultant

Salt Lake City, UT (Remote)

January 2025 – Present

- Designed and developed custom websites and high-converting landing pages using WordPress, Shopify, and HTML/CSS frameworks for small businesses and startups, resulting in an average 25% increase in user engagement and lead generation within the first month of launch. Collaborated with 15+ clients across e-commerce, SaaS, and service-based industries to ensure responsive, SEO-optimized designs tailored to their brand identity.
- Created compelling content and copywriting for websites, blogs, social media, and email campaigns, incorporating persuasive storytelling and SEO best practices to boost organic reach by up to 40%; produced over 50 pieces of content monthly, including ad copy that achieved a 6% average conversion rate on client funnels.

- Implemented comprehensive SEO/SEM strategies, including keyword research, on-page optimization, and technical audits using tools like SEMrush and Google Analytics, driving a 35% uplift in search rankings and 120% growth in organic traffic for e-commerce clients over six-month engagements.
- Managed Google Ads and Meta (Facebook/Instagram) advertising campaigns with budgets ranging from \$5,000 to \$20,000 per month, optimizing for ROAS and targeting high-intent audiences; delivered 500+ qualified leads per campaign with a 5.2% CTR and reduced CPC by 18% through A/B testing and audience segmentation.
- Developed logos and graphic design assets using Adobe Creative Suite and Canva, creating cohesive visual branding packages that enhanced client market presence; designed 20+ logos and marketing collateral, contributing to a 15% increase in social media engagement for creative agencies.
- Orchestrated email and SMS campaign management via Klaviyo, Mailchimp, and HubSpot, building automated nurture sequences that grew subscriber lists by 2,000+ contacts and achieved open rates exceeding 50%; integrated SMS flows for abandoned cart recovery, recovering 12% of lost sales on average.
- Set up automation and workflow systems using Zapier, Cursor, and Python scripts to streamline client operations, such as lead routing from forms to CRMs and automated reporting dashboards; reduced manual tasks by 60% for 10+ clients, allowing teams to focus on high-value strategy.
- Provided end-to-end consulting on digital transformation, including vulnerability assessments, SSL configurations, and performance optimizations, ensuring secure and fast-loading sites that improved Google PageSpeed scores by 30+ points and minimized downtime during high-traffic periods.

Digital Marketing Specialist

Groove Technology Solutions (Epicvue, DellaConnect)

Salt Lake City, UT (Remote/Hybrid)

March 2024 – January 2025

- Spearheaded the development and execution of a comprehensive, data-driven digital marketing strategy by conducting in-depth competitor B2B analysis utilizing Google Trends and SEMrush tools; this initiative significantly enhanced lead quality metrics and propelled a remarkable 300% surge in conversion rates during peak seasonal months, directly contributing to quarterly revenue targets.
- Directed SEO initiatives with a strategic emphasis on on-page optimization, backend technical adjustments, and targeted content creation efforts; these enhancements yielded a 1.3% improvement in overall site visibility across major

search engines and elevated keyword rankings for 50+ high-value terms, fostering sustained organic growth.

- Oversaw the management of a \$10,000 monthly Google Ads budget distributed across three meticulously crafted search campaigns and one innovative Performance Max campaign; generated in excess of 40,000 clicks with an impressive 4.5% click-through rate (a substantial leap from the previous 1.5%), while securing over 400 high-quality B2B lead conversions throughout three consecutive quarters, optimizing for cost efficiency and ROI.
- Bolstered website security protocols by proactively identifying and neutralizing multiple sophisticated hacking attempts; implemented robust firewall restrictions, rectified persistent SSL certificate errors, and refined sitemap structures alongside backend file configurations to fortify the site against future cyber threats, ensuring 99.9% uptime and compliance with industry standards.
- Refined lead tracking mechanisms and elevated data integrity standards through the strategic installation of advanced web forms, elimination of redundant Google event tags, thorough debugging of tracking discrepancies, and establishment of automated reporting pipelines; this overhaul guaranteed precise, real-time data capture and analysis, empowering data-informed decision-making across marketing and sales teams.
- Collaborated cross-functionally with product and sales teams to integrate marketing automation tools like Zapier, automating lead nurturing workflows that reduced response times by 40% and increased pipeline velocity for B2B prospects.
- Conducted A/B testing on ad creatives and landing pages, iterating based on performance analytics to achieve a 20% improvement in conversion attribution accuracy and supporting the scaling of campaigns during product launches.

Digital Marketing Director

RidgeCrest Herbsals

Salt Lake City, UT

May 2021 – December 2023

- Led the orchestration of all digital marketing endeavors for a leading herbal wellness brand, generating over \$56,000 in incremental revenue growth through the seamless execution of multi-channel campaigns encompassing email, paid search, social media, and SEO; this holistic approach not only expanded market share but also cultivated a loyal customer base in the competitive natural health sector.
- Dramatically expanded the email subscriber base by more than 4,300 engaged contacts via pioneering email marketing strategies, including personalized

segmentation and dynamic content personalization; achieved an exceptional 55% open rate, 2.3% click-through rate, and 5% conversion rate, translating to \$25,000+ in attributable e-commerce sales annually.

- Catalyzed a 250% year-over-year increase in online store sessions by deploying targeted digital initiatives, such as retargeting ads and UX/UI optimizations on Shopify; analyzed user behavior through Google Analytics to refine navigation flows, reducing bounce rates by 28% and enhancing overall shopper experience.
- Launched and meticulously managed a high-impact Google Ads campaign that amplified paid search traffic by 40% while simultaneously reducing cost-per-click by 12% through bid management, negative keyword pruning, and audience refinement; this efficiency maximized ad spend ROI, contributing \$18,000 in direct revenue from paid channels.
- Propelled organic growth trajectories by instituting advanced SEO strategies, including comprehensive site audits, internal linking enhancements, and schema markup implementations; these efforts improved organic search rankings by 30% for core product keywords and surged website traffic by 150%, establishing RidgeCrest as a top authority in herbal supplements.
- Directed social media amplification using Hootsuite and Facebook Ads Manager, creating viral content series that garnered 100,000+ impressions and drove 15% of total site traffic; integrated user-generated content campaigns to boost authenticity and community engagement.
- Oversaw CRM integrations with Salesforce and HubSpot to track customer journeys, enabling personalized follow-ups that increased repeat purchase rates by 22% and supported the transition to a customer-centric marketing model.
- Mentored a team of two junior marketers, conducting bi-weekly training sessions on tools like SEMrush and Klaviyo, fostering skill development that accelerated campaign execution by 30% and prepared the team for scalable growth initiatives.
